Acknowledgment

We sincerely acknowledge the support and guidance of the **Science and Technology Department, Government of Manipur**, and the **Manipur Science & Technology Council (MASTEC)** for their valuable collaboration in organizing the World Intellectual Property Day 2025 celebration at **Manipur Technical University**. We extend our heartfelt thanks to **TIFAC-DST, Government of India**, for their continued efforts in promoting innovation and intellectual property awareness across academic institutions. We are especially grateful to our **Chief Guest, Kengoo Zuringla, IAS**, and **Guest of Honor, Dr. Kh. Rakesh**, for their presence and encouragement. We also appreciate the contributions of the **Registrar, Controller of Examinations, faculty members, technical staff, and volunteers** whose collective efforts ensured the success of the event. **Special thanks to Lourembam Ranjita Devi**, Assistant Professor and Head, Department of Electrical Engineering, for delivering the welcome address and her committed coordination, and to **Dr. Lourembam Victoria**, Assistant Professor and Head, Department of Management, for her strong support and involvement in the event. We further thank the **IPR Cell-MTU team** and all participating students and speakers whose enthusiasm and insights made the celebration truly impactful. The event was made possible by the collaborative spirit and shared vision of fostering a vibrant innovation ecosystem in the region.

- 7) **Participants:** Students, faculties, staff of MTU & MIT (Manipur University) and Official of MASTEC.

Introduction

The World Intellectual Property Day 2025 celebration at Manipur Technical University (MTU) was organized on 2nd May 2025 by the IPR Cell, MTU, in collaboration with the Manipur Science & Technology Council (MASTEC) under the aegis of TIFAC-DST, Government of India. Although the official World IP Day falls on 26th April, this year's event at MTU had to be postponed due to a state-wide general strike coinciding with the date, along with scheduling constraints of MASTEC officials. Despite the delay, the rescheduled programme was conducted with great enthusiasm and participation. The 2025 theme, "IP and Music: Feel the Beat", emphasized the relationship between intellectual property and creativity, particularly in music, while also fostering a broader awareness of IP rights and innovation. The celebration featured technical sessions, expert talks, a grant distribution ceremony under MASTEC's student innovation scheme, and interactive sessions with key dignitaries. The event offered a valuable platform for engaging students and faculty in discussions on the role of intellectual property in education, entrepreneurship, and cultural preservation.

Objectives of the Programme

The primary objective of organizing the **World Intellectual Property Day 2025** at Manipur Technical University is to raise awareness about the importance of Intellectual Property Rights (IPR) in fostering creativity, innovation, and economic growth. This year's celebration, under the theme "*IP and Music: Feel the Beat*", aims to enlighten students, faculty, and innovators about the role of intellectual property in protecting and promoting original works, especially in the creative arts and engineering domains. Through technical sessions, expert talks, and the distribution of partial financial assistance under MASTEC's "Innovative R&D Projects for Engineering Students" scheme, the programme seeks to encourage a culture of research, innovation, and legal protection of original ideas among young minds. Additionally, the event intends to create opportunities for interaction with key stakeholders from the government, industry, and academia to inspire future collaborations and support systems for innovation in the region.

Event Outcome:

The celebration of **World Intellectual Property Day 2025** at Manipur Technical University, in collaboration with MASTEC under the aegis of TIFAC-DST, Government of India, was a resounding success. The event effectively raised awareness among students and faculty about the importance of intellectual property rights and their role in nurturing creativity, innovation, and entrepreneurship. The engaging technical sessions on IPR and Geographical Indication (GI), delivered by experts from MASTEC and MTU, provided valuable insights into the mechanisms for protecting and commercializing creative and traditional knowledge. A major highlight of the programme was the **distribution of partial financial assistance** (Rs. 20,000 each) to five selected final-year engineering student teams under MASTEC's "Innovative R&D Projects for Engineering Students" scheme—four of which were from MTU, reflecting the university's growing culture of innovation. The interaction between dignitaries and students, especially with the Chief Guest, inspired many to pursue intellectual property protection for their projects. The event concluded with the distribution of personalized participation certificates, reinforcing the value of each participant's engagement. Overall, the celebration not only marked the significance of World IP Day but also strengthened the IPR ecosystem at MTU and encouraged greater collaboration for future innovation-driven initiatives.

Conclusion

The celebration of **World Intellectual Property Day 2025** at **Manipur Technical University** was a meaningful and impactful event, despite being rescheduled due to unforeseen circumstances. The enthusiastic participation of students, faculty, and esteemed guests demonstrated a growing awareness and interest in the field of intellectual property. Through engaging sessions on IPR and Geographical Indications, valuable insights were shared, sparking curiosity and encouraging innovation among young minds. The distribution of financial assistance to student-led projects under MASTEC's scheme further reinforced the university's commitment to fostering research and development. The presence of dignitaries such as the Secretary of Science & Technology, Government of Manipur, and the Director of MASTEC added immense value to the event. Overall, the programme successfully fulfilled its objective of promoting a culture of creativity, protection, and respect for intellectual property within the academic and innovation ecosystem of Manipur.

Invitation IPR Cell, MTU

MANIPUR TECHNICAL UNIVERSITY

in association with

Manipur Science & Technology Council (MASTEC)

under the aegis of

TIFAC-DST, Government of India

cordially invites you to attend

WORLD INTELLECTUAL PROPERTY DAY 2025

Theme: "IP and Music: Feel the Beat"

2nd May 2025 (Friday)

Time: 1:00 PM onwards

Venue: New Academic Block

Manipur Technical University Campus

Chief Guest:

Kengoo Zuringla, IAS

Secretary, Science and Technology, Govt. of Manipur

Guest of Honor :

Dr. Kh. Rakesh

Director, MASTEC

President

Shri Ramananda Nongmeikapam, MCS

Registrar, Manipur Technical University

Your presence will inspire our young innovators!

E- certificate will be provided to all the participants.

World IP Day 2025

"IP and Music: Feel the Beat"

Date: 2nd May 2025 (Friday)

Venue: New Academic Block, Manipur Technical University

Time: 01:00 PM - 3:00 PM

Programme Schedule

12:30 - 1:00 PM: Registration

01:00 - 1:05 PM: Inauguration

- Welcome Address by Lourembam Ranjita Devi,
HoD-Dept. Electrical Engineering (Member- IPR Cell)

01:05 - 01:15 PM: **Keynote Address by Guest of Honor**
Dr. Kh. Rakesh, Director, MASTEC

01:15 - 01:40 PM: **Technical Session 1**

Topic: "*Intellectual Property Rights (IPR)*"

- Speaker: L. Surjit Singh (PIC-MASTEC).

01:40 - 02:10 PM: **Technical Session 2**

- Topic: "Protecting Manipur's Heritage – Geographical Indication (GI)"
- Speaker: Kosygin Leishangthem, Nodal-Officer, IPR Cell-MTU

02:10 - 02:20 PM: **Speech by Chief Guest**

Kengoo Zuringla, IAS
Secretary, Science and Technology, Govt. of Manipur

02:20 - 02:30 PM: **Distribution of Partial Financial Assistance**
under MASTEC'S Scheme
"Innovative R& D Projects for Engineering Students"

02:30 - 02:40 PM **Interaction Session**

- Q&A with all speakers
- Student/Faculty Interactions

02:40 - 03:00 PM: **Speech by President:**

Shri Ramananda Nongmeikapam, (MCS), Registrar MTU

3:00 - 3:05 PM: **Closing Session**

- Vote of Thanks - (IPR Cell Nodal Officer)

Group Photo / Light Refreshment
