Govt. of India

# About the University

On 23 April, 2016, under the Manipur Technical University Act, 2016, the Manipur Technical University was established in the state of Manipur for the advancement and development of technical education. The University is recognised by the University Grants Commission under Section 2(f) and 22 of the UGC Act, 1956. The University has currently ten departments, namely, Civil Engineering, Computer Science and Engineering, Electronics and Communication Engineering, Electrical Engineering, Mechanical Engineering, Humanities, Management, Physics, Chemistry and Mathematics. The faculties and staffs of each department are highly qualified and devoted to the all-round developmental activities of the University. There are, at the moment, five Undergraduate B. Tech courses being offered at the University. The University is covered under the MHRD TEQIP-III and is now being mentored by the College of Engineering, Pune as a Twinning Partner under TEQIP-III.

## About the Programme

The programme intends to develop various strategies pertaining to teaching for effectively improving the process of teaching-learning by discussing major concepts and practices.
